1. The judges will be available for feedback on your entry when requested. Judges will give a detailed summary of their judging appraisal of each class as needed or requested.
2. We will be applying for all shows to be approved for NAMHSA membership. NAN rules will be applied at those shows that are NAN approved.
3. We will have three rings running simultaneously. Please listen for your division and classes!
4. Classes will be placed first through sixth place. Recycled flat ribbons and recycled custom rosettes will be awarded during the series.
5. Entrants are allowed three horses per class in halter, two in performance.
6. No animals and no smoking are allowed at any of our events. Thank you!

Raffle and Silent Auction Information:

We will have a few special raffle and silent auction items at each show. You never know what you're going to find! We also accept donations of items to include in the raffle and auction. These donations are tax-deductible as GLC, Inc. is a non-profit organization.

Halter Division Information:

Rare Plastic Halter: ALL test run models and any special runs totaling 35 and fewer horses. Finish differences (gloss vs. matte) are not considered separate runs, so only editions where the glossy and matte combined are 35 and fewer will go in this division. Please note that GLC Performance Challenge models go in this division.

06/30/08

Non Plastic Rare Halter: ALL test and custom glazed china models and runs under 10.

Custom and Artist Resin classes: These are two separate divisions. They will be held concurrently with entries divided within the ring. For example, the judge will call CM/AR Arabians. The CMs will be put on one side of the ring, while ARs will be put on the other side of the ring. The judge will then judge them as two separate classes. Entries are 3 horses/class, so an entrant can have 3 CM Arabs and 3 AR Arabs.

Halter Classes:

1. ALL models that are not pure breeds or a registerable breed MUST go into the mixed breed class.
2. Half Arab/NSH is to include the following: Any HALF Arab cross that has a registry or is recognized as a breed, Morabs, Pintabians, Anglo-Arabs, and NSH. (All other horses with *partial* Arabian bloodlines show in Other Pure/Mixed.)
3. All Welsh Cobs and Welsh Ponies show in the Ponies classes.
4. Akhal Tekes show in the Other Light Breeds classes.
5. Spanish Mustangs show in the Mustang Classes.
6. The Hackney Ponies show in the Ponies classes.
7. Friesians show in the Other Sporthorse classes.
8. *For the Non Plastic Rare division:*
 - * Please put any gaited horses into the Other Pure/Mixed Breeds class

Performance Classes:

The Other Miscellaneous performance class is for entries that do not fit into the Other English and Other Western performance classes.
Champs are to be done by points, with consideration given to horses showing and placing in only one class.

Non-Realistic Classes:

Non-realistic classes include woodgrain and decorator colors. These classes are judged on collectability, not breed, and will receive yellow NAN cards.

Anything Goes Class:

We will have an Anything Goes class at each show, be creative and enter! (Offensive entries will not be allowed). This class is not NAN-qualifying

Directions to Huntley Park District:

From I-90 (westbound)

Take 47 North.

Continue through three stoplights. You will see Deicke Park on your left. Immediately after the Park is Mill Street. Turn left on Mill. Go through 4-way stop, school is on your left. You will see a door near the number "12015" facing Mill, with an area for unloading. We are arranging to have those doors unlocked so you may unload there. Main entrance and parking is around the corner of the building.

From I-90 (eastbound - traveling from the west towards Chicago)

Route 47 is NOT accessible! Take the I-90 exit for Route 20 east (it's a ways west of Rt. 47). The intersection with Rt. 47 and Rt. 20 is also the intersection with Rt. 72, just to make things confusing. It's a 4-way stoplight, with a gas station (BP, I think) on the southwest corner, and a garden center and water tower on the southeast corner. Turn left to go north on Route 47 into Huntley. Mill Street is the last intersection before Main Street. Turn left on Mill. Go through 4-way stop, school is on your left. You will see a door near the number "12015" facing Mill, with an area for unloading. We are arranging to have those doors unlocked so you may unload there. Main entrance and parking is around the corner of the building.

From the North

Take 47 into Huntley.

Mill Street is the first intersection past Main Street. Turn right on Mill. Go through 4-way stop, school is on your left. Main entrance and parking is around the corner of the building.
