Purpose. Great Lakes Congress, Inc. (GLC). presents this educational series in order to promote and encourage interest in the study of horses and the hobby of model horses, and provide opportunities to individuals to improve or develop their capabilities regarding model horse judging skills. We welcome new faces and all skill levels!

Judges. The judge for Artist Resin, OF China Breed, CMG Breed, and the Thomas Bainbridge Divisions is Barbara Ness from Portland, OR. The judge for Custom, OF China Collectibility and CMG Workmanship is Thomas Bainbridge from Kaleva, MI. The judge for the Performance and Youth Divisions is Tiffany Purdy from Sterling, IL. The Plastic Divisions will be judged by Kirsten Wellman.

Entry. You are not entered in the show unless you submit full payment of the appropriate fee(s), and a completed entry form. Walk-ins will not be accepted.

Fees. GLC membership is \$35 per calendar year for adults and \$15 per calendar year for youth. A member's entry or vendor fee is \$50 per show. Non-member entry/vendor fees are \$65 per show. Entrants may sell items from tables. No fee/entry sharing is allowed. Each entrant must personally own the models he or she is exhibiting, unless they are being proxy shown. Extra tables must be purchased separately. Fees for extra tables are the same as entry fees. There will be a minimum \$55 charge for any checks returned for insufficient funds, or the bank fee plus \$10, if higher.

Proxy Entry. Proxy entrants may enter up to 10 horses at \$3 per horse per class. If the proxy entrant exceeds 10 horses, the proxy entrant must pay the regular \$65 entry fee. There is no proxy discount for GLC members. The entry will not be allocated table space (this shall be the responsibility of the proxy shower unless other arrangements are made).

Tables. Payment of entry or vendor fee entitles you to one table. Extra tables must be purchased separately. Fees for extra tables are the same as entry fees. We do not assign tables unless you purchase more than one.

Entry Limits. Entrants are allowed 3 horses per class in halter classes; 2 in performance classes. You may enter additional halter horses at the cost of \$1 each. The entrant shall place the fee next to the extra horse(s). Each halter horse may show in only one breed class. Entrants may not show a horse, then change its breed and show it again.

No Refunds. GLC is a 501(c)(3) charitable organization, and we incur expenses reserving the show hall and purchasing materials for the show. If you cannot make the show, your reservation will become a donation. Show entries cannot be rolled onto another show.

Tags. Models are to be identified with stringed tags. Side A: breed and gender; Side B: horse's name and owner's initials.

Placings/Championships. Judges will place classes through sixth. Results will be recorded through third place. Recycled ribbons will be awarded. Performance Champions are selected by points, with consideration given to horses showing in one class. Halter champions are selected from first and second place horses.

Conduct. No live animals and no smoking are allowed at any of our events.

NAN Qualification. First and second place horses will receive a card that qualifies those horses to enter the North American Nationals (NAN).

Halter Division Definitions. Double-Judging. At the China Specialty Show, OF China will be double-judged on breed and collectibility, and CM Glaze will be double-judged on breed and workmanship. You must supply collectibility documentation to show in any of the collectibility classes.

Thomas Bainbridge Divisions. The Thomas Bainbridge China section is for all ceramic models produced by Thomas Bainbridge Studio (Scarlett, Leonardo, Venator), and it will be double-judged by the OF China Breed judge. The OF China classes will be judged on "breed" criteria and collectibility, and the CMG classes will be judged on "breed" criteria and workmanship. There will be special prizes for this section. The Thomas Bainbridge Custom section will be judged by the Artist Resin judge on "breed" criteria only, just like the other customs in the show.

Animal, Miscellaneous Fun Divisions. These are non-NAN-qualifying classes and for the China Specialty show, are only for ceramic sculptures.

Youth Division. This division is open to persons 14 years and younger. None of the Youth Division classes are NAN-qualifying classes. Order of Go. At this time, we are planning to run the divisions in the order that is suggested by the classlist. I may do the Thomas Bainbridge divisions first however.

Classlist Matrix. The classlist appears on the next page. We have also produced the classlist in Excel format, which you can use to plan your entries (just insert a new column next to each applicable division and type each horse's name next to the applicable class).
